

PARAGARY'S BAR AND GRILL

by Richard Franco, Food 4 Less

For lunch, my business partner and I decided to try Paragary's. Parking was very easy thanks to the valet and the garage right behind the Hotel Stockton. We arrived at 12:25 and were promptly seated. After a short wait for service, our server April redeemed herself with a friendly smile and a large basket of bread. My friend ordered a Ham and Jarlsburg Pannini with salad (\$9.50) which he enjoyed and I had Linguini and Clams (\$14.00) which was excellent. We have dined here a few times for lunches have not been disappointed. Buddy (Executive Chef) made it a point to come out and say hello.
